Study: *Don't Waste Your Life* by John Piper

About This Study: Ask the average person to sum up his or her ideal life, and you get the American dream: College, Job, Marriage, House, Kids., Comfortable Income, Cush Retirement. But God has designed us for far more than this. Rather than wasting life on lesser pursuits, let's awaken to the soul-saving reality that "to live is Christ, and to die is gain."

There are also a number of ongoing small groups that take place throughout the week. For further information, contact Doug Loafman.
