Special Movie Presentation

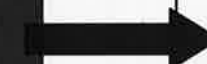

The God Who Speaks

6:00 P.M. • Worship Center

There is a war raging around us – in society, in our churches, and in our homes. It is not a battle over marriage, race, or the sexual revolution. Rather, it is a battle for the truth. Is God real? Does He speak, and if so, how would we know? While many churches are faithfully proclaiming the truths found in Scripture, others have lost confidence in the Bible's divine authorship.

The God Who Speaks is a 90-minute documentary that traces the evidence of the Bible's authority through interviews with some of the world's most respected biblical scholars. This film answers common objections about the Bible's reliability and equips believers to confidently base their lives on the power of God's Word. The movie is produced by the American Family Association

Baptist Faith and Message -- GOD

There is one and only one living and true God. He is an intelligent, spiritual, and personal Being, the Creator, Redeemer, Preserver, and Ruler of the universe. God is infinite in holiness and all other perfections. To Him we owe the highest love, reverence, and obedience. The eternal God reveals Himself to us as Father, Son, and Holy Spirit, with distinct personal attributes, but without division of nature, essence, or being.

About the Study: All day, every day, an invisible war rages around you — unseen, unheard, yet felt throughout every aspect of your life. A devoted, devilish enemy seeks to wreak havoc on everything that matters to you: your heart, your mind, your marriage, your children, your relationships, your resilience, your dreams, your destiny. But his battle plan depends on catching you unaware and unarmed. If you're tired of being pushed around and caught with your guard down, this study is for you.
